Dear Ma'am,

Greetings!

The undersigned are currently completing a research entitled ***Web-Based E-Learning Management System for the Primary Students of Marbel 3 Elementary School*** as a requirement under the subject Capstone Project 1.

This study aims to facilitate E-Learning as it provides educational material without the constraint of time or place, enabling students and teachers to interact via the internet and facilitates sharing of course-related information and resources.

In this connection, the researchers would like to humbly request for your permission to develop our proposed system in your school, Marbel 3 Elementary School. Please trust that the researchers will uphold all data to be gathered with utmost confidentiality.

The researchers will highly appreciate your favorable response and approval. Thank you very much!

Respectfully yours,

CO, KAYEE VALERIE V.
